PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Director of Patents  
Box Issue Fee  
Washington, D.C. 20231

RECEIVED

SEP 10 2002

TECHNOLOGY CENTER 2800  
SPECIAL PROGRAM CENTER

Dear Sir,

Applicants respectfully petition to withdraw the holding of abandonment mailed August 8, 2002 pursuant to MPEP 711.03(c)(II) and Delgar v. Schulyer (172 USPQ 513 (D.D.C. 1971)). It is respectfully submitted that the Notice of Allowance having a mailing date of March 26, 2002 was not received at our office until June 28, 2002. Specifically, a search of the file jacket and docket records of our office indicate that the Notice of Allowance was not received until June 28, 2002. A copy of the docket record where the non-received Notice of Allowance would have been entered had it been received and docketed is attached hereto for the three month period from March 27, 2002 through June 28, 2002. Certain unrelated items have been redacted from the attached docket logs including mail received from clients, statements, bills, and litigation, although the redacted items were checked along with the items in the attached and neither indicated the receipt of any Notice of Allowance for the above-identified matter at our office.

A check in the amount of \$130.00 is enclosed to cover the petition fee under 37 C.F.R. 1.17(h).

In addition, upon receipt of the Notice of Allowance, we noticed that the Notice of Allowance was stamped with "Match and Return" and "Received April 12, 2002 Technology Center 2800". We believe that this Notice of Allowance was sent back to the Patent Office and then was forwarded back to undersigned Attorney. Enclosed is a copy of the Notice of Allowance as received. Also enclosed an issue fee transmittal and a check in the amount of \$1301.00 for payment of the issue fee and 7 additional copies. We respectfully request that the Patent Office accept and process this payment of the issue fee in the event this petition is granted.

09/06/2002 SDIRETA1 00000052 09574921

01 FC:122

130.00 0P

In the event any additional fee is required for filing the above-noted document, including any fees required under 37 CFR 1.136 for any necessary Extension of Time to make the filing attached document timely, the Assistant Commissioner is hereby authorized to charge the fee to our Deposit Account No. 50-0612. A duplicate of this page is enclosed.

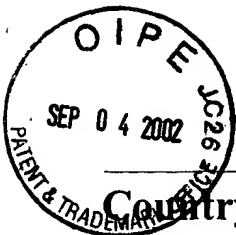

Respectfully submitted,
